 Dec. 4th 1913. Edward Walker. Your
 Appleton books have been to me a real
 joy for several. I have been in anxiety
 about you and you don't tuck in! And now
 are very soon met again after 2 1/2 years! The
 Euclid comes to the 10th. And what's that
 will be for the Homograph? - for our friends and
 ourselves the quality of them? you know
 I believe? Urbic Ston date and day! The
 11th? Mu 12th? And I come along the 10th
 your house is here. I must love to you both;
 Euclid Ston from my husband.
 Day off by our great quantity
